

Kāpiti Coast District Vision - Education

The Education deprivation index is one of the domains that make up the Index of Multiple Deprivation (IMD18) created by the The University of Auckland. It incorporates weighted measures relating to five indicators;

- School leavers under 17 years of age
- School leavers without NCEA Level 2
- School leavers not enrolled in tertiary studies
- Working aged people without a qualification
- Youth not in education or employment training

	Number of education facilities					Enrolments (2022)
	Early Childhood	Primary	Secondary	Tertiary	Te Kura	
						
Ōtaki	8	5	3	1	1	1430
Waikanae	7	2				1341
Paraparaumu	14	5	1	1		3927
Raumati	9	3	1			2913
Paekākāriki	1	1				162
Rural		1				189

* There are 8 private training establishments across the district

In 2021 there were 3 school exclusions across the district. Kāpiti has performed better than the regional and national rates for this indicator.
