

DRAFT! We're shaping our local Vision for Paraparaumu

Vision Paraparaumu will capture our local identity and reflect the needs and aspirations of our community to 2060 and beyond.

Here's some of what we've heard so far...

GROWING NEEDS

support waste minimisation

Enhance our recycling options

Community Preparedness together

24 hour health access

Proactively responding to climate change

Attract more GP's HERE

GET AROUND EASILY

More connection between beach & train station

Fix our Footpaths so they are accessible for all

Great Network: Options to walk, cycle, drive, or take public transport

Fix the road congestion

Make the most of our AIRPORT to connect us to other areas

OPTIONS for YOUNG PEOPLE

more varied activities & options for TEENAGERS

Indoor sports facility

INTERMEDIATE SCHOOL
More options & jobs for school leavers to stay

A VIBRANT CENTRE

More variety & options in our shopping precincts

Better urban planning and design of new developments

Great co-working spaces so don't have to commute

We need well designed and affordable housing mixed in

WE LIVE & WORK HERE!

MORE VISIBLE MAORI HISTORY

Futureproof our infrastructure

showcase our rich history

Local specialised industrial hubs

COASTAL CONNECTIONS

Keep our seaside character

Add new housing thoughtfully

support improved range of shops

Make more of our waterfront

attractive visitor facilities

Great beach access for all

Innovative tourist amenities

we need tourism accommodation alongside homes for locals

Make more of our food & beverage hub

MOUNTAINS to the SEA

use and enhance our wetlands & waterways

Plant more trees for shade

Easy access to great OPEN spaces

Update our walk & cycleways for better sharing as they get busier
