Waikanae Community Hub

– objectives and benefits

The project objectives describe what the new facility aims to deliver for our community.

The objectives for the new community hub are to:

- support communities to connect
- build healthy and resilient individuals and community
- create a sense of place and belonging
- provide opportunities to learn, work, and create
- support cultural identity and understanding
- champion inclusivity
- be an exemplar for sustainable practices.

As a community hub, the new library will help deliver Council's community outcomes:
